QUARTERLY PROGRESS REPORT

(A guideline for uploading/updating quarterly progress of K-RERA registered project(s) as mandated in the Section 11(1) of the Real Estate (Regulation and Development) Act, 2016, and Rule 17 (1) (e) of the Kerala Real Estate (Regulation and Development) Rules, 2018)

- Ref:** 1. Public notice K-RERA/T3 /102/2020 dated 25-03-2021
2. Public notice K-RERA/T3 /102/2020 dated 16-04-2021
3. Public notice K-RERA/T3 /102/2020 dated 29-06-2021

As per Section 11(1) in the *Real Estate (Regulation & Development) Act 2016*, the promoter shall quarterly update the details of the Project in the Web Portal of the Authority. As per Rule 17 (1) (e) of the *Kerala Real Estate (Regulation & Development) Rules 2018*, such quarterly progress updates have to be done within 7 days from the expiry of each quarter. Non-submission of such quarterly progress reports will be in violation of Section 11 of the Act and will attract penal consequences.

This report is required to be updated/uploaded for each project registered under RERA every three months until and unless Form No. 6 is uploaded. This way, all stakeholders can get an idea of whether the project is progressing in an acceptable manner. Each promoter is legally responsible for updating the quarterly progress of the registered project and it is the allottee's right to know how the project is going. Even if there is no progress made during a quarter in the project, the previous quarter's progress has to be entered again and updated on the web portal.

The Authority has decided on financial-based quarters as follows:

QUARTER 1(Q1) - APR-MAY-JUN

QUARTER 2(Q2) - JUL-AUG-SEPT

QUARTER 3(Q3) - OCT-NOV-DEC

QUARTER 4(Q4) - JAN-FEB-MAR

I. QUARTERLY PROGRESS REPORT (QPR) mandates 5 updates only:

1. Overall percentage of progress of the project - This includes Financial Progress as well as Physical Progress of the project.

Financial Progress - Proportion of the cost incurred and paid on Land Cost and construction cost to the Total Estimated Cost. You may refer to FORM No. 4 (SrNo. 5). If any financial progress is made from the last submitted Form No. 4, the same shall be mentioned in the comment box provided.

Physical Progress - Percentage of completion of overall construction work (as per Architect's certificate on project completion). You may refer to FORM No. 4 (SrNo. 4)

(*****Forms required for withdrawal of money from the designated account are not considered as part of quarterly updates & such certificates are to be uploaded **only if** any withdrawals are done. Although, the promoter shall update the overall percentage of progress of the project in each quarter as suggested by the concerned professionals associated with your project)

2. Building Progress - This includes an overall percentage of work done for each of the buildings/blocks. This shall be filled as suggested by the concerned architect associated with your project.

(*****Not applicable to Plot-type projects. Task/Activity update is not mandated for QPR, but it is advisable to update so that an allottee can track your project progress for each item most consistently. This way, all stakeholders can get an idea of whether the project is progressing in an acceptable manner.)

3. Sale Details - The number of units sold/booked/allotted till quarter

4. Common Amenities Progress - The percentage of work executed for the progress of common areas and facilities.

5. Current Photographs -

- Status of construction of each building;
- Status of construction of each floor;
- Status of construction of common areas and internal infrastructure.

II. HOW TO DO QUARTERLY UPDATES ?

Step 1.0 : Login to the K-RERA account

Step 2.0 : Click on the **Add/View** button under **QPR** in your dashboard as shown in *fig. no.1.*
